SUBJECT: TWENTY THOUSAND PESOS (P20,000.00) INSTANT LOAN

Due to the consistent and unwavering demand from the members, the Philippine Public School Teachers Association is now increasing the maximum limit of its instant loan from Ten Thousand Pesos (P 10,000.00) to Twenty Thousand Pesos (P20,000.00). New members, who are qualified, depending on their net pay and the submission of the required documents, may avail of this loan.

Moreover, in view of the implementation of the association's optional Banco De Oro (BDO) Remittance Program, the proceeds of the instant loan may now be received through over the counter transaction with the BDO branches nationwide.

Members who want to avail of this benefit and the remittance program may inquire personally or through phone at the head office and the regional offices of PPSTA.

Please be guided accordingly.
